1. Call to order : 6:34pm

3. Approval of minutes : Jodi

4. Old business

a. Filling Vice-Chair position - Ashley is the Vice-Chair, voted and elected

b. Engagement graphic for CLJHS Facebook reach - How many people engage or visit on the FB page? How do we put out positive things that are happening at the school? Pictures that are FOIP'd are posted to social media. Chan will ask Nicole to see if we can get some stats on how many people visit the FB page. Initially it looks like viewership and engagement is up.

See attached picture of FB stats.

5. Principal's Report

a. Budget: see attached

School is getting a new gym floor, division and CLJH are footing the bill together. For tournaments we will make sure the main court is nicely done with not so many lines. In the middle of the gym will be the blue school colors, with the logo in orange, with light white birch color around, with a darker rim around for the volleyball court. Bleachers along the one wall (school cost, fundraising needed). What is happening with the grant for the sewing machines, about \$20-25,000? Kass does not have an update currently.

B. 543 students now

C. Additional counselor has been approved through JP, hopefully interviewing next week. This counselor will only work with First Nations students.

D. Placement as an EA, transitioning Matt Nicholas

E. Starting to look at numbers and placement and staffing for next year. By the end of March we will know who is coming.

F. Winter Dance was a huge success. A lot of older kids did not show up. Boys and girls dancing, with no drama. Waiting for receipts to be submitted in order to know how much money we made. Next time advertise at the beginning of the year.

G. H. Student Conduct - vaping: the numbers have gone down, kids are hiding it and getting trickier. This is a public building, it is illegal for kids of this age. First, have a conversation with them, and then some information packages and a video. Second, is an in school suspension. Chan talked with a Peace Officer, and let the kids have one free pass and if they reoffend, then the Peace Officer will come and issue tickets. Chan is going to ask the Peace Officer to come to one of our meetings, so we can ask her all of our questions.

I. Skiing has been rescheduled due to freezing temps

J. Parent teacher interviews, March 22/23, Report cards home on March 17 (electronic report cards in June)

K. Literacy Night March 2

L. May 11 for the Big Bad Comedy, looking for donated silent auction items, and will have some CLMS items to sell off (rug, banners). Chan will prepare a letter asking for

donations. Putting together a document where we can list the businesses that we have visited, so that we don't repeat.

M. Grade 9 Math PAT prep - this year we have Grade 9's and they are struggling. Chan contacted the Diploma Max people. About \$150-\$200 per student. Chan would like to bring them into the school, have parents pay upfront, but when the course is completed, the school would reimburse. Courses on Saturdays. Chan will put out a survey to parents to gauge interest.
