**1.) Call to Order**

**2. Approval of Minutes** from last day. Laura moved. Approved.

**3. Principal Report**

Presentation from Lisa Shankowski - Academic and Career Advisor

- Career presentations in class
- Use of myBlueprint in classes to search for and understand diversity of careers and pathways.
- Coming in December - Test taking strategies and study skills
- Chatterhigh questions - students can donate to a charity or sign up for draw after answering questions about careers
- Data presentation around academic counselling. "What subject do you think you need to improve on?" and "What should you do to improve on the subject you chose"

This is a new position, we are hoping that the funding will stay in place because the need is definitely there, especially in grade 9.

Staffing: We have an additional 0.5 EA for complex classroom needs.

Parent Learning Series.

- a. Nov 22 - IXL, PAT information, Test-Taking support
  - i. Chan sent a link to the new platform to all of the grade 9 students so that they can practice using the tools.
- b. January: Dwayne Peace and Literacy night
- c. March: Career Pathways and High School
- d. April: Test Taking and Study Skills
- e. May: Not sure...
